

Call for Student Volunteers at the 2010 AP-LS Conference:

If you are interested in being a student volunteer for the AP-LS 2010 Annual Conference in Vancouver, Canada, please send an email to Kathy Gaskey, AP-LS Administrative Assistant (apls@ec.rr.com).

Similar to past conferences, volunteers will be providing assistance with the conference registration area and/or monitoring concurrent sessions throughout the conference. We are asking for a commitment of 6-8 hours of volunteer time.

We will be developing a volunteer schedule to cover the registration table (likely to be Wednesday through Friday) and the concurrent sessions (Thursday through Saturday). This schedule will be sent to all volunteers for sign-up after the conference program is completed.

As a thank you for volunteering, student volunteers will get free registration for the conference. If you are already receiving free registration as a student first author, we will waive the registration costs for one of the 1/2 day pre-conference workshops and offer half price registration (\$45.00) for a full day pre-conference workshop. Kathy Gaskey, AP-LS administrative assistant (apls@ec.rr.com), will work with you to process your registration as a student volunteer. All student volunteer registrations will be processed by Kathy in December after presenters are notified regarding acceptance/rejection of proposals.

Thank you.
